

The diagram shows a rectangular sandbox cover with a raised lip on the top and bottom edges. Two horizontal dimension lines are shown above the cover, indicating the overall width and the width of the inner panel. On the right side, two vertical dimension lines indicate the height of the inner panel and the total height including the lip. The text 'CUSTOM SANDBOX COVER' is centered on the inner panel. Below the title is a form with five rows of text and underlines for input.
